Coverage For: Individual + Family Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-292-8868 or visit us at AlabamaBlue.com/bb/2024SSB. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or

other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>AlabamaBlue.com/SBCGlossary</u> or call **1-800-292-8868** to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	 \$4,200 / Individual or \$8,400 / Family in-network. \$4,200 / Individual or \$8,400 / Family out-of-network. 	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. In-network <u>preventive services</u> , outpatient hospital services, inpatient hospital services, most <u>physician services</u> , some pediatric dental services, drugs, non-covered services and balance-billed charges are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	Yes. \$1,500 per admission for out-of-network. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For in-network \$9,450 Individual / \$18,900 Family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> <u>limits</u> until the overall family out-of-pocket limits has been met.
What is not included in the <u>out–of–pocket limit</u> ?	All out-of-network cost sharing amounts (deductibles, copays and coinsurance), premiums, balance-billing charges, healthcare this plan doesn't cover, and specialty drug coupon programs payments. Exceptions include out-of-network medical emergency services (including mental health and substance abuse) and out-of-network air ambulance services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>AlabamaBlue.com</u> or call 1-800-810-BLUE for a list of <u>network providers</u> .	You pay the least if you use a provider in the Hospital Choice Network Lower Member Cost Share tier. You pay more if you use a <u>provider</u> in the Hospital Choice Network Higher Member Cost Share tier. You will pay the most if you use an out-of-network <u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network</u> <u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral.</u>

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors.
