Coverage For: Individual + Family Plan Type: EPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-855-350-7437 or visit us at AlabamaBlue.com/bb/2024ste-94.pdf**.** For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at AlabamaBlue.org/sbcglossary or call 1-855-350-7437 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0 / individual or $0 / family in-network.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. In-network preventive services, drugs, some physician services, rehabilitation, habilitation and some pediatric dental services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductible for specific services.
What is the out–of–pocket limit for this plan?	For in-network $1,800 individual / $3,600 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limits has been met.
What is not included in the out–of–pocket limit?	All out-of-network cost sharing amounts (deductibles, copays and coinsurance), premiums, balance-billing charges, healthcare this plan doesn't cover and specialty drug coupon programs payments. Exceptions include out-of-network medical emergency services (including mental health and substance abuse) and out-of-network air ambulance services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See AlabamaBlue.com or call 1-800-810-BLUE for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes. Some services require a referral.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have the plan's permission before you see the specialist.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
